*Education for
the real world*

RTO Code - 22530

A financial planning course to *build the future you want*

This course delivers the knowledge and skills required to provide RG146 compliant Life Insurance and General Insurance advice (ie. both general AND personal advice).

Students choose to enrol in this course for a number of reasons. Some are interested in becoming Life Insurance Advisers. Others just want to upgrade their existing qualifications to be RG146 compliant, so they can continue to work in various roles within the Australian Life Insurance sector.

Will my previous experience or study count?

Monarch Institute recognises Recognition of Prior Learning (RPL) which takes into account the knowledge and skills you have already gained through your previous education and work history. These may be through formal or informal training and can result in credits towards your qualification. We also offer Credit Transfer (CT). More information about RPL or CT is contained in Monarch's Student Information Guide, which you can access on our website <http://www.monarch.edu.au/student-info/>

Jobs & career pathways once completing this qualification

This RG146 qualification will provide you with a range of employment opportunities within the financial services industry. Many employment positions in the financial services industry require an RG146 qualification, including: banks, Life Insurance providers, superannuation funds, credit unions, accounting practices, financial planning practices, mortgage broking businesses, business brokers and real estate agencies.

Accredited – RG146 / ASIC compliant

Monarch Institute's FNS50615 Diploma of Financial Planning (RG146 Compliant) is Government accredited. This RG146 Life Insurance course constitutes 50% of the FNS50615 Diploma of Financial Planning. It has National recognition under the Australian Qualifications Framework (AQF) meaning it can be used as a pathway to further Vocational Education & Training and a university qualification, nationwide.

Monarch Institute is licensed as a Registered Training Organisation (RTO number 22530) under the Australian Skills Quality Authority (ASQA), which is an Australian Government statutory body regulating nationally recognised training. In addition, this course is ASIC compliant, having been approved by ASIC authorised assessors in meeting ASIC Policy Statement 146 (known as RG146) and is listed on the ASIC Training Register at: <http://asic.gov.au/eTraining/eTrain.nsf>

Study anywhere and anytime you choose

Face-to-face workshops - CBD training

- Course content delivered by industry experts
- Conducted in a 'small class room' environment (i.e. no more than 10 students per trainer) to ensure quality training
- Interact and network with other students under the guidance of industry professionals who "bring the course to life" and provide a "real world" perspective.
- Access to an online portal that contains your learning and assessment materials, plus student forums, to support your face-to-face workshops.
- Onsite training for group instruction at your office where requested (minimum 6 staff).

Online/Self paced - maximum flexibility

- Start anytime, study anywhere, at your own pace
- Access your learning and assessment resources, plus student forums using an online portal. You can access this anywhere and anytime.
- Ongoing support from your qualified Trainer/ Assessor via phone and email from Monday to Friday.

Course duration

Most students complete this qualification in 6 months to 12 months. Your completion time frame depends on your previous education, work experience, time availability and work rate. Please note you are expected to complete at least 1 module every 6 months.

We consistently receive feedback from our students telling us the course is very well structured and easy-to-follow.

Our students come from a range of backgrounds

- You might be a school leaver, uni student, graduate or someone who is changing careers. You may want to build a career in the financial services industry.
- You might be a paraplanner, accountant or someone working within a bank, insurance or superannuation company. You may be working within the industry and want to build on your existing knowledge and experience.

Why choose Monarch?

- Dedicated support from qualified trainers
- Clear and concise course materials
- A student online portal that's easy to navigate
- Friendly and efficient student support team

Assessments

You are required to complete a variety of assessment tasks demonstrating your skills and knowledge. These include:

- Case studies
- Projects
- Simulated workplace exercises
- Short answer questions
- Calculation exercises
- Multiple choice questions
- Scenario based questions

What are the entry requirements?

There are no entry requirements for this qualification, just your drive, motivation and passion for the industry.

Course costs
