An advanced accounting qualification to *drive your professional career further*

Monarch's FNS60215 Advanced Diploma of Accounting has been developed to advance your career in the world of professional accounting.

For those wanting to go above and beyond, the Advanced Diploma of Accounting provides you with a sound platform in the key financial reporting and business performance skills required in today's demanding world.

To help you stand out from the crowd, you'll add to these financial skills with the study of crucial taxation law and commercial law which together regulate the world of business.

As well, you'll learn how to use and interpret important business statistics as well as gain an understanding of economic principles that impact every organisation.

A study of corporate governance is included to give you knowledge and skills for sound stewardship of larger corporations.

This qualification also provides key course units for the pathway to becoming a registered Tax Agent by covering the Tax Practitioners Board prescribed skill set in Australian taxation law and commercial law.

Monarch's FNS60215 Advanced Diploma of Accounting is nationally accredited by the Australian Government under the Australian Skills Quality Authority (ASQA).
