# An accounting qualification to *advance your professional career*

---

Monarch's FNS50215 Diploma of Accounting has been developed to advance your career in the world of professional accounting.

For those wanting more than just the basics. This is the passport qualification for those wishing to take a step up or to pursue a career, not just get a job, in the accounting profession. Covering critical skills required by all enterprises, the Diploma of Accounting covers financial reporting, budgeting, management accounting, financial performance, internal controls and taxation.

This course also provides a key step in the pathway to becoming a registered Tax Agent by covering the Tax Practitioners Board prescribed skill set in Australian taxation law.

Monarch's FNS50215 Diploma of Accounting is nationally accredited by the Australian Government under the Australian Skills Quality Authority (ASQA)

## What does the *FNS50215 Diploma of Accounting* cover?

---

- **Financial Reporting** – financial transactions and report preparation
- **Budgeting and Management Accounting** – operational budgets, forecasts and cash
- **Financial Performance Information and Internal Control** – business risks, KPIs, audit
- **Taxation for individuals and legal entities** – assessable income, deductions, tax returns and much more

\* Nominal Hours are the anticipated hours of supervised learning or training deemed necessary to conduct training and assessment activities associated with the program of study. These hours are determined by the Victorian State Training Authority. Nominal hours may vary for a qualification depending on the units of competency selected.

## Accredited – Monarch Institute’s FNS50215 Diploma of Accounting

Monarch Institute’s FNS50215 Diploma of Accounting is Government accredited. It has National recognition under the Australian Qualifications Framework (AQF) meaning it can be used as a pathway to further Vocational Education & Training and a university qualification, nationwide.

Monarch Institute is licensed as a Registered Training Organisation (RTO number 22530) under the Australian Skills Quality Authority (ASQA), which is an Australian Government statutory body regulating nationally recognised training.

## Study anywhere and anytime you choose

---

### Online/Self paced - maximum flexibility

- Start anytime, study anywhere, at your own pace
- Access your learning and assessment resources, plus student forums using an online portal. You can access this anywhere and anytime.
- Ongoing support from your qualified Trainer/ Assessor via phone and email from Monday to Friday.

### Face-to-face workshops - CBD training

- Course content delivered by industry experts
- Conducted in a 'small class room' environment (i.e. no more than 10 students per trainer) to ensure quality training
- Interact and network with other students under the guidance of industry professionals who "bring the course to life" and provide a "real world" perspective.
- Access to an online portal that contains your learning and assessment materials, plus student forums, to support your face-to-face workshops.
- Onsite training for group instruction at your office where requested (minimum 6 staff).

## Course duration

---

Most students complete this qualification in 12 months to 24 months. Your completion time frame depends on your previous education, work experience, time availability and work rate. Please note you are expected to complete at least 1 module every 6 months.

We consistently receive feedback from our students telling us the course is very well structured and easy-to-follow.

## Our students come from a range of backgrounds

---

- You might be a school leaver, uni student, graduate or someone who is changing careers. You may even want to build a career in related industries that work closely with accountants.
- You might be an existing employee who wants to take the next step up in career advancement or a business owner who wants to take control of your own business finances.

## Why choose Monarch?

---

- Dedicated support from qualified trainers
- Clear and concise course materials
- A student online portal that's easy to navigate
- Friendly and efficient student support team

## Assessments

---

You are required to complete a variety of assessment tasks demonstrating your skills and knowledge. These include:

- Multiple choice questions
- Short answer questions
- Simulated workplace exercises
- Scenario based questions
- Calculation exercises

## What are the entry requirements?

---

There are no entry requirements, just your drive, motivation and passion for the industry. People with disabilities are encouraged to apply.

## Take the step toward becoming a Tax Agent

---

As an important step toward becoming a registered Tax Agent, Monarch's FNS50215 Diploma of Accounting has been structured to include the key taxation units required by the Tax Practitioners Board for Tax Agents.

For those wishing to achieve a tax specialisation, these tax units cover the essential skills of working with tax plans, taxation for individuals and for legal entities.

## Course costs

---

This training is delivered with Victorian and Commonwealth Government funding for eligible Victorian residents. Please contact Monarch to see if you're eligible.

## Jobs & career pathways once completing this qualification

---

Successful completion of this course can set you on the road to a career in the accounting profession. The world of accounting is an exciting place! The accounting profession is dynamic, challenging, rewarding and highly respected. For most businesses around the world, it is the skilled accounting professionals who are in demand and who hold the key financial decision making roles.

With a Diploma of Accounting, you'll be skilled to take on essential accounting or finance responsibilities in small, medium or large enterprises across a broad range of industries or service providers. Successful completion of the course can lead to career positions such as accountant, finance officer or possibly as a registered Tax Agent (subject to meeting all requirements of the Tax Practitioners Board).

Other roles include more senior responsibilities covering the preparation of financial statements,

tax documentation or the analysis of the financial health of any business and contributing to key financial decisions.

So if you're keen to make your mark in the world of accounting and keen to become a financial decision maker, then Monarch's FNS50215 Diploma of Accounting equips you with the key technical skills and knowledge to help you achieve your career goals.

## Will my previous experience or study count?

---

Monarch Institute recognises Recognition of Prior Learning (RPL) which takes into account the knowledge and skills you have already gained through your previous education and work history, attributing this to your FNS50215 Diploma of Accounting. These may be through formal or informal training and can result in credits towards your qualification. We also offer Credit Transfer (CT). More information about RPL or CT is contained in Monarch's Student Information Guide, which you can access on our website [www.monarch.edu.au/student-info/](http://www.monarch.edu.au/student-info/)
