Advanced Diploma of Leadership and Management

- Get the skills that employers really want.
- Unrivalled support. Delivered with care.
- Absolute flexibility. Your way, your terms.

Make your mark as a leader

Today's emerging leaders need a way to cut down on the time it takes to learn from experience. Monarch Institute courses will help you do just that. They've been developed by entrepreneurs, business executives, and academics who've already been where you want to go. Like Josh Wilson, who successfully built three businesses and sold two before age 40. And Glenn Buesnel-May, who has spent over 25 years in the Royal Australian Air Force as an officer before specialising in leadership, management, education and training.

You won't just come out of your course with real-world skills and knowledge. The Advanced Diploma of Leadership and Management takes a strategic focus to give you a qualification that's accredited and recognised Australia-wide. Take on the business world, or use your skills in an exciting new role – it's up to you.

What does the course cover?

- **Leadership and Communication**
- **Critical thinking**
- **Business planning**
- **Leading in the future**

Key benefits

Nationally recognised

The course is nationally recognised under the Australian Qualifications Framework, so you can use it as a pathway to university qualifications around Australia.

Build confidence

Learn how to lead with confidence and take on leadership responsibilities and challenges with assurance.

Open doors

This course can open doors for career advancement, helping you move up the career ladder and fostering new opportunities in other teams or departments within your organisation.

Study online. With a difference.

This course has been developed to give you absolute flexibility. Study on your couch, on public transport, on your break at work, out in the park – wherever and whenever you like. The best part is, with Monarch Institute, 'online' doesn't mean 'alone'. You'll be backed by our trainers at every step along the way. You'll get:

- Easy-to-follow course materials
- Videos and webinars
- Heaps of support from your course trainers (phone, email, Zoom)
- A dedicated admin team on hand to guide you
- Online assessments
- Access to a student Facebook group

What is the course structure?

This course is delivered predominantly online. This means you'll access your learning and assessment resources via an online portal plus textbooks. You can access the portal anywhere and anytime. You'll also have access to a student Facebook group so you can discuss the course material.

You'll need to study a total of 10 nationally recognised units, which are spread out over four modules.

We consistently receive feedback from our students telling us the course is very well structured and easy to follow. Of course, if you're having trouble wrapping your head around a concept or assessment piece, you can always reach out to your trainer for support.

What is the course duration?

Most students complete this qualification in 12 months to 24 months. Your completion time frame depends on your previous education, work experience, time availability and work rate. You're expected to complete at least one module every six months.

What are the entry requirements?

1. Have completed a Diploma or Advanced Diploma from the BSB Training Package (current or superseded equivalent versions).

OR

2. Have two years equivalent full-time relevant workplace experience in an operational or leadership role in an enterprise.

Jobs and career pathways

Management is an immensely satisfying career path. It's also much more diverse than you might expect. There are varying levels of management and leadership roles, depending on the size of the business you're working in. Upon completing this course, there are a variety of career paths you can take:

Key opportunities include:

- Team leader
- Product manager
- Service manager
- Business development manager
- Training manager
- Senior manager
- Head of strategy
- Head of product and service
- Head of innovation
- Head of human resources
- CEO

Managers are needed in all sectors of the economy. Managing people and resources is a critical function of business.

Senior managers are at the top of the chain in their organisations. They're often strategically focused, looking at the big picture stuff. Senior managers tend to have middle-level managers reporting to them, and they may have senior staff reporting directly to them. If you want to be effective in this role, you don't just need to know your business inside out. You need the strategic frameworks and people skills to make the most of your team – and your time.

The Advanced Diploma of Leadership and Management at Monarch Institute is designed to give you real-world skills and strategies you can put to use straight away. This means that if you're ready to step up into a strategic leadership role, it's a practical way to take your capability to the next level.
