Diploma of Business

- > Get the skills that employers really want.
- > Unrivalled support. Delivered with care.
- > Absolute flexibility. Your way, your terms.

Ready for the next step in your business career?

Entrepreneurs, business leaders, and innovators in the making all have something in common. They're always looking for ways to do better and step up. They find it hard to sit still. And they know ambition isn't a dirty word. If this sounds like you, the Diploma of Business could be your key to getting to the next level in your business career.

Monarch Institute's Diploma of Business brings together the best of learning from theory, and learning from practical experience. Our experienced trainers are successful business people in their own right. They'll guide you as you challenge yourself to think differently, develop your technical expertise, and practice new skills in a safe and supportive learning environment.

To make your learning journey even more you, Monarch Institute offers three great specialisations - Operations, Organisational Development, or Digital Transformation. Or you can keep your options wide open with the general Diploma. It's up to you.

What does the course cover?

- **Advanced communication skills**
- **Budgeting and resource management**
- **Leading change and innovation**
- **Making the most of technology**

Key Benefits

Tailored to your business career

Monarch Institute is proud to offer one of the most flexible and convenient ways to study business, built for self-driven learners like you. It's made to fit around your work, family and personal commitments - and those side hustles.

Government funded

If you live in Victoria, Monarch Institute has government funded places. To see if you are eligible for a government funded place, please get in touch with one of our friendly course consultants.

Nationally recognised

This qualification is nationally recognised. It's part of the Australian Qualifications Framework. This means you may be able to use it as a pathway to higher education qualifications at institutions around Australia.

Study online. With a difference.

This course has been developed to give you absolute flexibility. Study on your couch, on public transport, on your break at work, out in the park – wherever and whenever you like. The best part is, with Monarch Institute, 'online' doesn't mean 'alone'. You'll be backed by our trainers at every step along the way.

You'll get:

- Easy-to-follow course materials
- Videos and webinars
- Support from your course trainers (phone, email, Zoom)
- A dedicated admin team on hand to guide you
- Online assessments
- Access to a student Facebook group

What is the course structure?

This course is delivered completely online. This means you'll access your learning and assessment resources using an online portal. You can access this anywhere and anytime.

You'll need to study a total of 12 nationally recognised units.

What is the course duration?

This course was designed to be completed within 12–24 months. This allows time to fit study around other work and social commitments. Your completion time frame depends on your previous education, work experience, time availability and work rate. For example, if you're completing your practical exercises as part of your work duties, you could kill two birds with one stone! Of course, if you're having trouble wrapping your head around a concept or assessment piece, you can always reach out to your trainer for support.

What are the entry requirements?

There are no formal entry requirements. Just bring your drive, motivation and passion for the industry. That said, if this is your first time studying at this level, we'll need to check your levels of English and maths before you enrol. People with disabilities are encouraged and supported to apply.

Course costs

Monarch's courses are competitively priced.
