Key benefits

Real world knowledge and skills

The course includes extensive training in how to work as a Finance or Mortgage Broker. On completion, you will be set up with a Broker Kit that includes all the essentials (templates, forms, references and spreadsheets) - ready to start work.

Nationally recognised

The course meets the requirements of the Australian Qualifications Framework. You may be able to use it as a pathway to higher level qualifications at tertiary institutions around the country.

Professional membership

The Finance Brokers Association of Australia (FBAA) and the Mortgage and Finance Association of Australia (MFAA) are the peak bodies for finance broking professionals. By completing this qualification, you can apply for membership as an Accredited Finance Mortgage Broker.

Study online. With a difference.

This course has been developed to give you absolute flexibility. Study on your couch, on public transport, on your break at work, out in the park – wherever and whenever you like. The best part is, with Monarch Institute, 'online' doesn't mean 'alone'. You'll be backed by our trainers at every step along the way. You'll get:

- Easy-to-follow course materials
- Videos and webinars
- Heaps of support from your course trainers (phone, email, Zoom)
- A dedicated admin team on hand to guide you
- Online assessments

What is the course structure?

This course is delivered completely online. This means you'll access your learning and assessment resources via an online portal. You can access this anywhere and anytime.

You'll need to study a total of 15 nationally recognised units, which are spread out over four modules.

We consistently receive feedback from our students telling us the course is very well structured and easy to follow. Of course, if you're having trouble wrapping your head around a concept or assessment piece, you can always reach out to your trainer for support.

What is the course duration?

Most students complete this qualification in nine to 18 months. Your completion time frame depends on your previous education, work experience, time availability and work rate. You're expected to complete at least one module every six months.

What are the entry requirements?

There are no formal entry requirements. Just bring your drive, motivation and passion for the industry. That said, if this is your first time studying at this level, we'll need to check your levels of English and maths before you enrol. People with disabilities are encouraged and supported to apply.

Finance and mortgage broking – a growing industry

The mortgage industry is evolving and growing. Increased regulatory scrutiny and digital disruption continue to drive change in finance and mortgage broking businesses. Shifting consumer preferences have led to online application processing and automated settlement procedures. Mortgage brokers have been freed from some of the more simple tasks they once performed for their clients to focus on value-add activities such as loan structuring and providing ongoing credit assistance to their clients.

Mortgage brokers continue to drive competition and deliver better outcomes for consumers. Borrowers today have superior service, greater choice and higher levels of satisfaction.

Getting ready to raise the bar

Dealing with clients with complex needs requires that you understand the challenges faced by small to medium-sized enterprises, and that you possess reliable loan structuring skills.

The Diploma of Finance & Mortgage Broking Management will assist you to raise the bar on your performance in order to engage effectively with sophisticated clients and build a successful finance and mortgage broking business.
